A guided crossword example

Answer key · Guided example · 6 words

Check each word by its number and direction.

Across

3. Tiny water drops in the sky. (5): CLOUD
5. A tall plant with a trunk. (4): TREE
6. Water flowing across the land. (5): RIVER

Down

1. A liquid we drink. (5): WATER
2. A plant part with petals. (6): FLOWER
4. A low plant with narrow leaves. (5): GRASS

A guided crossword example

How to solve it

1. Read the first across clue and count its squares.

2. The first completed word is an example: find its crossings.

3. Read a down clue crossing that example. The shared letter must agree.

4. Fill the remaining words and check every crossing.

5. Consult the answer key when you have finished.
